First Tee Headquarters officially granted First Tee of Middlesex & Somerset Counties a charter in 2004. The New Jersey Youth Development Foundation is our official not-for-profit foundation. Its single purpose is to provide First Tee programming to youth in our area.

The chapter offered successful programming for youth at Tamarack Golf Course in Middlesex County and Tara Greens Golf Center in Somerset County in the early years of existence. As the program continued to grow not only programmatically but also financially, it expanded in 2011 to First Tee—Raritan Valley and its current operation of serving youth in 6 counties with the addition of Hunterdon, Morris, Union, and Warren counties.

Our mission is to impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf.

First Tee—Raritan Valley currently engages more than 65,000 students with our Life Skills Experience, National School Program, and DRIVE programs. We are currently operating in 116 elementary schools, 11 green grass facilities, and 7 YMCAs.

First Tee curriculum delivers: 9 core values, life skills, 9 healthy habits, and golf instruction. The 9 core values include: respect, courtesy, responsibility, honesty, sportsmanship,

confidence, judgment, perseverance, and integrity. The life skills include: dreams and goals, dealing with challenges, building a go-to team, appreciating diversity, and planning for the future. The 9 healthy habits include: physical—energy, play, safety, emotional—vision, mind, family, and social—friends, school, community.

Thanks to our donors and fundraising efforts, our chapter is able to provide financial assistance to at-risk youth throughout the state. Currently 33% of our students qualify for financial assistance.

Our chapter is always looking for individuals to help contribute and programs to help make a difference. Our success depends on people who serve in a variety of capacities: board members, volunteers, mentors, and coaches. This is an exceptional way to give back to the game you love and to become part of the solution to some of the challenges facing today's young people.
